- (iii) a certificate in Training of Trainers (ToT) course lasting not less than two (2) weeks from a recognized institution; and
- (iv) demonstrated managerial, administrative and professional competence in work performance and exhibited a thorough understanding of national goals, policies, objectives and ability to relate them to livestock training function.

Duties and Responsibilities

An officer at this level will be responsible to the Principal for planning, directing, controlling and coordinating training, farm and administrative activities within the institute. Specific duties and responsibilities include: -

- (i) initiating action on the review of policy issues in livestock training;
- (ii) interpreting and implementing government manpower training policies;
- (iii) developing, implementing and reviewing curriculum;

- (iv) liaising with other institutions and agencies for effective development and implementation of training programmes;
- (v) team building and setting performance targets and standards; and
- (vi) ensuring that the curriculum is aligned to sectorial and national priorities.

An officer at this level may also be deployed as a Dean of Students, Director of studies or a Registrar.

As Dean of students, an officer will be overall in-charge of students' welfare in the institute. Specific duties will include:-

- (i) supervising review of rules and regulations;
- (ii) ensuring safe custody of the first aid kit;
- (iii) ensuring sick students to get medical attention;
- (iv) overseeing students' catering, accommodation, student council elections and extracurricular activities; and
- (v) coordinating guidance and counseling of students; and resolving students' disputes.

As Director of Studies, an officer will ensure effective coordination and implementation of academic programmes in the institute. Specific duties will include:-

- (i) coordinating development of guidelines on training programmes, research and consultancy activities, review of curriculum and training manuals, and inducting new staff in the institute;
- (ii) ensuring security of students' academic records, examinations and preparation of examination timetable; and
- (iii) coordinating education tours, visits, field attachments, internship, periodic reviews and updating training strategies

As Registrar, an officer will ensure that students adhere to the institute's rules and regulations. Specific duties include:-

- (i) validating students' application; coordinating recruitment and admission of students, graduation and clearance of students upon exit;
- (ii) managing and maintaining students' records and class lists; and
- (iii) evaluating transcripts; and validating and verifying certificates for the grandaunts.

SENIOR PRINCIPAL LECTURER - SEVENTY (70) POSTS - V/NO. 212/2020

| | |
|----------------------------|--|
| Salary Scale: | Ksh. 87,360- Ksh.121,430 p.m. (CSG 7) |
| House Allowance: | Ksh.16, 800 - 45,000p.m (depending on duty station) |
| Commuter Allowance: | Ksh. 12,000p.m |
| Leave Allowance: | As existing in the Civil Service |
| Annual Leave: | 30 working days per financial year |
| Medical Cover: | As provided by the government |
| Terms of Service: | Permanent and Pensionable |

For appointment to this grade a candidate, must have:-

- (i) served for a minimum period of eight (8) years and currently serving at the grade of Lecturer I/ Veterinary Officer /Livestock Production Officer, CSG 9 and above or in a comparable and relevant position in the wider public service;
- (ii) a Bachelors Degree in any of the following disciplines:-Animal Production, Veterinary Medicine, Agriculture, Dairy Science, Range Management, Biology Sciences (Zoology) Food Science and Technology, Agricultural Economics/ Agribusiness, Leather Technology, Animal Health Management, Human Ecology, Education (Chemistry/Biology/Mathematics/Physics/Sociology/Psychology), Community Development, Home Economics, Agricultural Extension Education, Dairy Technology and Management, Food Nutrition and Dietetics, Natural Resource Management, Computer Science/Information Communication Technology, Environmental science, Laboratory Science, Dairy Science and Technology, Dairy Technology and Management or equivalent qualification from a recognized institution;
- (iii) a Certificate in Training of Trainers (ToT) course lasting not less than two (2) weeks from a recognized institution; and
- (iv) demonstrated a high degree of professional competence, administrative capabilities in initiating and implementing livestock training policies.

- (iv) supervision of construction; and
- (v) maintenance of classified and unclassified roads.

LECTURER II - FOURTEEN (14) POSTS - V/NO. 217/2020

| | | |
|---------------------|--|----------|
| Basic Salary Scale: | Kshs 38,270 - Kshs 51,170 p.m. | (CSG 10) |
| House Allowance: | Ksh.7500 - 16, 500 (Depending on duty station) | |
| Commuter Allowance: | Ksh.5, 000 | |
| Leave Allowance: | As existing in the Civil Service | |
| Annual Leave: | 30 working days per financial year | |
| Medical Cover: | As provided by the government | |
| Terms of Service: | Three (3) years contract renewable subject to satisfactory performance | |

For appointment to this grade a candidate must have:

- (i) a Bachelors degree in any of the following disciplines: Civil Engineering, Building Economics/Quantity Surveying, Mechanical Engineering, Electrical Engineering and Construction Management or equivalent qualification from a university recognized in Kenya;

OR

a Bachelors degree in any of the following: Physics, Chemistry or any relevant field from a university recognized in Kenya **with** a Diploma in Technical Education/Post graduate Diploma in Education from a recognized institution.

Duties and Responsibilities

Specific duties and responsibilities will include:

- (i) teaching in the area of specialization;
- (ii) preparation of schemes of work, lesson plans, teaching materials and aids;
- (iii) setting and marking course work/examination in the area of specialization; and
- (iv) conducting and assessing practical projects for the trainers under the guidance of a senior lecturer in the department.

INSTRUCTOR III - EIGHTEEN (18) POSTS - V/NO. 218/2020

| | | |
|---------------------|--|----------|
| Salary Scale: | Ksh.25, 470 - Ksh.33, 950 p.m. | (CSG 12) |
| House Allowance: | Ksh.3, 200 -Ksh.6,750- p.m (Depending on duty station) | |
| Commuter Allowance: | Ksh.4, 000p.m | |
| Leave allowance: | As existing in the Civil Service | |
| Annual Leave: | 30 working days per financial year | |
| Medical Cover: | As provided by the government | |
| Terms of Service: | Three (3) years contract renewable subject to satisfactory performance | |

Requirement for appointment

For appointment to this grade a candidate must have a Diploma in any of the following fields: Civil Engineering, Highway Engineering, Building, Surveying, Quantity

Surveying, Architecture, Electronic Engineering, Mechanical Engineering, Automotive Engineering, Constructional Plant Engineering, Cartography, Computer Science, Information Technology, Laboratory Technology, Institutional Management or any other relevant field from a recognized institution

OR

a Diploma in Mechanical Engineering with a driver instructors' certificate from a recognized institution in the case of Driving Instructions;

OR

a Technical Certificate Part III from a recognized institution;

OR

a Diploma in Health and Safety from a recognized institution

Duties and Responsibilities

This is the entry and training grade for instructors' cadre. Specific duties and responsibilities will include:-

- (i) maintenance of machines and equipment and preparing them for use in instructional duties in the relevant field under the guidance of a senior instructor; and
- (ii) preparing lesson plans, instructing, assessing and marking practical work for students.

INSPECTOR (ELECTRICAL - MVP) - EIGHT (8) POSTS- V/NO. 219/2020

| | |
|----------------------------|---|
| Salary Scale: | Ksh. 25,470 - Ksh. 33,950 p.m. (CSG 12) |
| House Allowance: | Ksh.3, 200 -Ksh.6,750- p.m (Depending on duty station) |
| Commuter Allowance: | Ksh.4, 000p.m |
| Leave allowance: | As existing in the Civil Service |
| Annual Leave: | 30 working days per financial year |
| Medical Cover: | As provided by the government |

Terms of Service: **Three (3) years contract renewable subject to satisfactory performance**

Requirement for appointment

For appointment to this grade a candidate must have a Diploma in either Automotive/Mechanical Engineering or Technician Certificate Part III in Mechanical Engineering or Automotive Engineering or equivalent and relevant qualification from a recognized institution.

Duties and Responsibilities

This is the entry and training grade for this cadre. An officer at this level will be deployed in the central/regional/district workshops and will work under a senior officer. Specific duties and responsibilities will include:-

- (i) servicing and carrying out minor repairs on electrical components such as alternators, generators, starter motors, small battery charging units and condensers;
- (ii) maintenance and repair of Motor Vehicle/Plant batteries; and
- (iii) carrying out fitting of electrical components and electrical wiring.

INSPECTOR (MECHANICAL- MVP) - SIXTEEN (16) POSTS - V/NO. 220/2020

| | | |
|----------------------------|---|-----------------|
| Salary Scale: | Ksh. 25,470 – Ksh. 33,950 p.m. | (CSG 12) |
| House Allowance: | Ksh.3,2,00 –Ksh.6,750– p.m (Depending on duty station) | |
| Commuter Allowance: | Ksh.4, 000p.m | |
| Leave allowance: | As existing in the Civil Service | |
| Annual Leave: | 30 working days per financial year | |
| Medical Cover: | As provided by the government | |

Terms of Service: **Three (3) years contract renewable subject to satisfactory performance**

For appointment to this grade a candidate must have:

- (i) a Diploma in Automotive or other approved equivalent qualification from a recognized institution; and

- (i) served for a minimum period of ten (10) years and currently serving at the grade of Principal Partnership and Wildlife Co-Existence Officer, CSG 8 and above or in a comparable and relevant position in the wider public service or private sector;
- (ii) a Bachelor's Degree in any of the following disciplines:- Wildlife Management, Natural Resource Management, Marine Resources Management, Environmental Science, Environmental Conservation and Natural Resource Management, Environmental Conservation, Environmental Resource Conservation, Environmental Management and Conservation, Environmental Studies and Community Development, Environmental Studies and Community Resource Conservation, Environmental Planning and Management, Range Management, Bio Resource Conservation and Management, Coastal and Marine Resource Management, Conservation Biology, Ecology, Zoology, or any other related qualifications from a university recognized in Kenya; and
- (iii) demonstrated managerial, administrative and professional competence in work performance and exhibited a thorough understanding of national goals, policies, objectives and ability to relate them to proper management of wildlife function.

Duties and Responsibilities

The officer at this level will assist the director in the overall management of the directorate or be deployed to be in-charge of a division. Specific duties and responsibilities will include:-

- (i) coordinating the development and the implementation of policies and strategies for collaborative wildlife management and human-wildlife conflict management;
- (ii) coordinating development of frameworks and platforms for promotion of cooperation between the national and county governments, private sector, NGOs and such other institutions engaged in wildlife protection, conservation and management;
- (iii) coordinating the implementation of strategies for effective mitigation of human wildlife conflicts and adverse processes and activities affecting wildlife conservation;
- (iv) coordinating establishment of effective wildlife compensation schemes in consultation with relative stakeholders;

- (v) coordinating development of frameworks and mechanisms for resolution of disputes, complaints and alternative dispute related to human wildlife conflicts;
- (vi) coordinating the implementation of strategies and guidelines on exploration,
- (vii) coordinating, designing and implementation strategies for monitoring, evaluation and securing wildlife corridor and dispersal areas;
- (viii) coordinating development and implementation of a framework for sensitization, education, public outreach and involvement of relevant stakeholders in wildlife conservation and management; and
- (ix) coordinating development and implementation of a monitoring and evaluation strategy for mainstreaming community engagement in natural resource management.

WILDLIFE OFFICER - SIX (6) POSTS -V/NO. 253/2020

| | | |
|----------------------------|---|-----------------|
| Basic Salary Scale: | Kshs 38,270 - Kshs 51,170 p.m. | (CSG 10) |
| House Allowance: | Ksh.7500 - 16, 500 (Depending on duty station) | |
| Commuter Allowance: | Ksh.5, 000 | |
| Leave Allowance: | As existing in the Civil Service | |
| Annual Leave: | 30 working days per financial year | |
| Medical Cover: | As provided by the government | |
| Terms of Service: | Three (3) years contract renewable subject to satisfactory performance | |

For appointment to this grade, a candidate must have a Bachelors Degree in any of the following disciplines: Wildlife Management, Natural Resource Management, Marine Resource Management, Environmental Science, Environmental Conservation and Natural Resource Management, Environmental Conservation, Environmental Resource Conservation, Environmental Management and Conservation, Environmental Studies and Community Development, Environmental Studies and Community Resource Conservation, Environmental Planning and Management, Range Management, Bio Resource Conservation and Management, Coastal and Marine Resource Management, Conservation Biology, Ecology, Zoology, or any other related qualifications from a university recognized in Kenya

Duties and Responsibilities

This is the entry and training grade for this cadre. An officer at this level will work under the guidance and supervision of a senior wildlife officer. Specific and responsibilities at this level include:-

- (i) collecting and compiling information on wildlife resources and products;
- (ii) participating in forums for sensitizing the public on wildlife matters;
- (iii) creating awareness on regulations and guidelines on conservation and management of wildlife;
- (iv) identifying alien invasive species for conservation and management;

- (v) developing and maintaining a database on individual's and community-based organization;
- (vi) participating in dissemination of information, education and communication materials on wildlife conservation and management;
- (vii) identifying areas for wildlife conservation , education and awareness;
- (viii) identifying species or areas for wildlife biodiversity and conservation;
- (ix) updating inventory of individuals and community based organization; and
- (x) implementing community-based natural resource management programmes

VACANCY IN THE MINISTRY OF ENVIRONMENT AND FORESTRY

DEPUTY DIRECTOR, CLIMATE CHANGE ADAPTATION - ONE (1) POST - V/NO. 254/2020

| | |
|----------------------------|--|
| Salary Scale: | Ksh. 99,900 - Ksh. 169,140 p.m (CSG 6) |
| House Allowance: | Ksh. 20, 000 - 50,000 p.m (Depending on duty station) |
| Commuter Allowance: | Ksh.16, 000p.m |
| Leave Allowance: | As existing in the Civil Service |
| Annual Leave: | 30 working days per financial year |
| Medical Cover: | As provided by the government |
| Terms of Service: | Permanent and Pensionable |

For appointment to this grade, a candidate must have:-

- (i) served for a minimum period of ten (10) years and currently serving at the grade of Principal Climate Change Adaptation Officer, CSG 8 and above or in a comparable and relevant position in the wider public service;
- (ii) a Bachelors degree in any of the following disciplines: Environmental Science, Environmental Law, Environmental Planning and Management, Meteorology, Natural Resource Management or any other related field from a university recognized in Kenya;
- (iii) a track record of teamwork, leadership, good knowledge of international, government policies and regulations relating to climate change;
- (iv) shown professional competence, high integrity and leadership capability in work performance and results.

Duties and Responsibilities

- (i) planning and implementation adaptation projects, programmes activities across various sectors;
- (ii) preparing guidelines on National and County adaptation planning and implementation;
- (iii) coordinating technology development and transfer , research required for adaptation across the different sectors;

- (iv) spearheading development of adaptation projects for domestic and international
- (v) mainstreaming climate change adaptation into national development planning processes;
- (vi) participating in the preparation and reporting in National Communications and other international and national reporting requirements related to adaptation;
- (vii) developing and disseminating climate change programmes and projects communication, outreach and public education strategy;
- (viii) liaising with the relevant sectors and other climate change stakeholders on issues relating to climate change adaptation programmes;
- (ix) tracking climate change adaptation programmes, trends, impacts and implications at the national and county level; and
- (x) capacity building and awareness creation for institutions and stakeholders on climate change adaptation programmes and projects.

VACANCIES IN THE MINISTRY OF ENERGY

CHIEF ENGINEER (MECHANICAL) - ONE (1) POST - V/NO. 255/2020

| | | |
|----------------------------|--|----------------|
| Salary Scale: | Ksh. 133,870 – Ksh. 197,800 p.m. | (CSG 5) |
| House Allowance: | Ksh.48, 000 – 60,000p.m (Depending on duty station) | |
| Commuter Allowance: | Ksh.20, 000p.m | |
| Leave Allowance: | As existing in the Civil Service | |
| Annual Leave: | 30 working days per financial year | |

| Terms of Service: | Permanent or Local Agreement | |

For appointment to this grade, an officer must have:-

- (i) served for a minimum period of ten (10) years and currently in the grade of Chief Superintending Engineer (Mechanical), CSG 7 and above or in a comparable and relevant position in the wider public service or private sector;
- (ii) a Bachelors degree in Mechanical Engineering or any other relevant and equivalent qualification from a university recognized in Kenya;
- (iii) a Masters degree in Mechanical Engineering or any other relevant and equivalent qualification from a university recognized in Kenya;
- (iv) be registered by Engineers Registration Board of Kenya;
- (v) current valid annual practicing licence from the Engineers Registration Board of Kenya;
- (vi) corporate membership with the Institution of Engineers of Kenya (IEK);
- (vii) demonstrated general administrative ability required for direction, control and implementation of power generation projects; and
- (viii) a thorough understanding of national goals, policies and programmes and the ability to translate them towards achieving the power generation plans.

Duties and Responsibilities

Specific duties and responsibilities at this level will include:-

- (i) formulating and developing of electrical energy policies;
- (ii) sourcing financing for power generation projects;
- (iii) formulation of policy and development of technical standards on matters pertaining to power generation;
- (iv) coordinating and reviewing of appraisal of energy generation projects;
- (v) coordinating the preparation of budgets, strategic plan, work plans, procurement plans and progress reports;
- (vi) developing and formulating of technical standards in collaboration with Kenya Bureau of Standards (KEBS);
- (vii) facilitating power generation planning under the Least Coast Power Development Plan;
- (viii) facilitating and reviewing of feasibility studies on power generation projects;
- (ix) overseeing of the management, monitoring and appraisal of staff in the department;
- (x) overseeing monitoring and evaluation of power generation projects; and
- (xi) facilitating and coordinating activities of the Kenya Nuclear Electricity Board (KNEB).

SENIOR PRINCIPAL SUPERINTENDING ENGINEER (MECHANICAL) - TWO (2) POSTS - V/NO.256/2020

| | |
|----------------------------|---|
| Salary Scale: | Ksh. 99,900 - Ksh. 169,140 p.m (CSG 6) |
| House Allowance: | Ksh.20, 000 – 50,000 p.m (Depending on duty station) |
| Commuter Allowance: | Ksh.16, 000p.m |
| Leave Allowance: | As existing in the Civil Service |
| Annual Leave: | 30 working days per financial year |
| Medical Cover: | As provided by the government |
| Terms of Service: | Permanent and Pensionable |

For appointment to this grade, an officer must have:-

- (i) served for a minimum period of ten (10) years and currently serving at the grade of Senior Superintending Engineer (Mechanical), CSG 8 and above or in a comparable and relevant position in the wider public service;
- (ii) a Bachelors degree in Mechanical Engineering or any other relevant and equivalent qualification from a university recognized in Kenya;
- (iii) be registered by Engineers Registration Board of Kenya;
- (iv) current valid annual practicing licence from the Engineers Registration Board of Kenya
- (v) corporate membership with the Institution of Engineers of Kenya (IEK);
- (vi) demonstrated general administrative ability required for direction, control and implementation of power generation projects; and

- (vii) a thorough understanding of national goals, policies and programmes and the ability to translate them towards achieving the power generation plans.

Duties and Responsibilities

Specific duties and responsibilities at this level will include:-

- (i) participating in formulating and articulation of policy on matters pertaining to power generation;
- (ii) assisting in mobilizing of resources for thermal, nuclear, geothermal and major wind power generation projects;
- (iii) coordinating and reviewing of pre-investment feasibility studies on power generation projects to determine their technical and economic viability;
- (iv) spearheading the development of a comprehensive legal and regulatory framework for Kenya's nuclear power programmes;
- (v) coordinating, monitoring, supervision and evaluation of petroleum and natural gas pipeline construction
- (vi) coordinating and reviewing of appraisal of energy generation projects;
- (vii) developing and formulating of technical standards in collaboration with Kenya Bureau of Standards (KEBS);
- (viii) facilitating power generation planning under the Least Coast Power Development Plan;
- (ix) facilitating and reviewing of feasibility studies on power generation projects; and
- (x) facilitating and coordinating activities of the Kenya Nuclear Electricity Board (KNEB).

CHIEF SUPERINTENDING ENGINEER (MECHANICAL) - TWO (2) POSTS - V/NO.257/2020

| | |
|----------------------------|--|
| Salary Scale: | Ksh. 87,360- Ksh.121, 430 p.m. (CSG 7) |
| House Allowance: | Ksh.16, 800 - 45,000p.m (depending on duty station) |
| Commuter Allowance: | Ksh. 12,000p.m |
| Leave Allowance: | As existing in the Civil Service |
| Annual Leave: | 30 working days per financial year |
| Medical Cover: | As provided by the government |
| Terms of Service: | Permanent and Pensionable |

For appointment to this grade an officer must have:-

- (i) served for a minimum period of eight (8) years and currently serving at the grade of Engineer I (Mechanical), CSG 9 and above or in a comparable and relevant position in the wider public service;
- (ii) a Bachelors degree in Mechanical Engineering or any other relevant and equivalent qualification from a university recognized in Kenya;
- (iii) be registered by Engineers Registration Board of Kenya;
- (iv) current valid annual practicing licence from the Engineers Registration Board of Kenya

- (v) corporate membership with the Institution of Engineers of Kenya (IEK);
- (vi) demonstrated general administrative ability required for direction, control and implementation of power generation projects; and
- (vii) a thorough understanding of national goals, policies and programmes and the ability to translate them towards achieving the power generation plans.

Duties and Responsibilities

Duties and responsibilities include:-

- (i) monitoring and evaluation of power generation projects;
- (ii) reviewing environmental impact assessment report studies related to thermal, geothermal, hydro and major wind power generation projects;
- (iii) participating in the development of technical standards on power generation sector in collaboration with Kenya Bureau of Standards (KEBS);
- (iv) supervising implementation of technical standards related to power generation projects;
- (v) reviewing feasibility studies on power generation projects;
- (vi) carrying out pre-investment studies on power generation projects
- (vii) assisting in the energy policy formulation;
- (viii) assisting in tariff studies;
- (ix) participating in the least cost power development plan; and
- (x) appraising of power general projects.

CHIEF ENGINEER (ELECTRICAL) - ONE (1) POST - V/NO.258/2020

| | |
|----------------------------|--|
| Salary Scale: | Ksh. 133,870 – Ksh. 197,800 p.m. (CSG 5) |
| House Allowance: | Ksh.48, 000 – 60,000p.m (Depending on duty station) |
| Commuter Allowance: | Ksh.20, 000p.m |
| Leave Allowance: | As existing in the Civil Service |
| Annual Leave: | 30 working days per financial year |
| Medical Cover: | As provided by the government |
| Terms of Service: | Permanent and Pensionable or Local Agreement |

For appointment to this grade, a candidate must have:-

- (i) served for a minimum period of ten (10) years and currently in the grade of Chief Superintending Engineer (Electrical), CSG 7 and above or in a comparable and relevant position in the wider public service or private sector;
- (ii) a Bachelors degree in Electrical Engineering or any other relevant and equivalent qualification from a university recognized in Kenya;
- (iii) a Masters degree in Electrical Engineering or any other relevant and equivalent qualification from a university recognized in Kenya;
- (iv) be registered by Engineers Registration Board of Kenya;

- (v) current valid annual practicing licence from the Engineers Registration Board of Kenya;
- (vi) corporate membership with the Institution of Engineers of Kenya (IEK);
- (vii) demonstrated a high degree of professional competence; administrative capability required for effective planning, direction, control and coordination of power sector programmes; and
- (viii) a thorough understanding of national goals, policies and programmes and the ability to translate them towards achieving the power generation plans.

Duties and Responsibilities

Duties and responsibilities at this level will include:-

- (i) formulating energy policy in the electricity sub sector;
- (ii) enhancing, reinforcing and upgrading of the power sector infrastructure;
- (iii) mobilizing of fund for power transmission and distribution projects;
- (iv) coordinating the national electrification strategies towards achieving universal access to electricity;
- (v) coordinating the development of the National Electricity Master Plan;
- (vi) coordinating following up and reviewing of feasibility studies on national transmission and distribution projects;
- (vii) coordinating power tariff study;
- (viii) developing energy sector cooperation frameworks and protocols with regional Governments and international bodies;
- (ix) promoting of strategies that will minimize international energy trade barriers, attract investments and facilitate exchange of information and data;
- (x) coordinating the development of a new and robust national grid system;
- (xi) coordinating the development and review of budgets of the Directorate; and
- (xii) coordinating the monitoring and evaluation of power transmission and distribution projects.

**SENIOR PRINCIPAL SUPERINTENDING ENGINEER (ELECTRICAL) - TWO (2)
POSTS - V/NO. 259/2020**

| | |
|----------------------------|---|
| Salary Scale: | Ksh. 99,900 - Ksh. 169,140 p.m (CSG 6) |
| House Allowance: | Ksh.20, 000 –Ksh. 50,000 p.m (Depending on duty station) |

- (v) corporate membership with the Institution of Engineers of Kenya (IEK); and
- (vi) demonstrated general administrative ability required for direction, control and implementation of electrical services programmes.

Duties and Responsibilities

Specific duties and responsibilities will include:-

- (i) assisting in facilitating and coordinating customer connectivity and electricity access;
- (ii) participating in updating Least Cost Power Development Plan;
- (iii) developing in distribution network through the national electrification fund to increase connectivity;
- (iv) updating rural electrification (RE) Master Plan;
- (v) participating in preliminary designing and cost estimating of rural electrification projects;
- (vi) assisting in mobilizing financial resources for establishment of revolving funds to finance power distribution and rural electrification projects;
- (vii) developing a prudent and financially sustainable customer connection policy to accelerate consumer connections towards achieving universal access;
- (viii) reviewing of Environmental Impact Assessment (EIA) reports studies related to rural electrification projects;
- (ix) participating in promotion of strategies that will minimize international energy trade barriers, attract investments and facilitate exchange of information and data;
- (x) participating in formulation of strategies to ensure that there is reliable power to customers; and

- (xi) carrying out monitoring, supervision and evaluation of Rural Electrification projects including rural electrification and mini grid development.

CHIEF GEOLOGIST (ENERGY) - ONE (1) POST - V/NO. 261/2020

| | |
|----------------------------|--|
| Salary Scale: | Ksh. 133,870 – Ksh. 197,800 p.m. (CSG 5) |
| House Allowance: | Ksh.48, 000 – 60,000p.m (Depending on duty station) |
| Commuter Allowance: | Ksh.20, 000p.m |
| Leave Allowance: | As existing in the Civil Service |
| Annual Leave: | 30 working days per financial year |
| Medical Cover: | As provided by the government |
| Terms of Service: | Permanent and Pensionable or Local Agreement |

- (i) served for a minimum period of ten (10) years and currently serving at the grade of Chief Superintending Geologist, CSG 7 and above or in a comparable and relevant position in the wider public service or private sector;
- (ii) a Bachelor of Science degree in any of the following disciplines: Geology, Engineering Geology, Geophysics, Geochemistry, Geo-science or equivalent qualification from a recognized institution;
- (iii) a Master’s degree in any of the following disciplines: Geology, Engineering Geology, Physics, Geophysics, Geochemistry, Geo-Science, Environmental Geology or its equivalent qualification from a university recognized in Kenya;
- (iv) be registered by the Geologists Registration Board of Kenya and be a member of the Geological Society of Kenya;
- (v) demonstrated professional competence in work performance and results; and
- (vi) a clear understanding of the role of geo-energy section in national development.

Duties and Responsibilities

- (i) formulating and reviewing of policies, laws, regulations, standards and guidelines in geo-energy sector;
- (ii) developing a master plan and strategies for development of geo-energy sector;
- (iii) reviewing and approving proposals and reports in geo-energy sector;
- (iv) planning and budgeting for geo-energy functions;
- (v) initiating negotiations for bilateral agreements related to geo-energy resources;
- (vi) initiating engagements for public private partnerships in geo-energy sector;
- (vii) participating in national, regional and global conferences and conventions related in geo-energy sector;
- (viii) domesticating provisions of treaties and conventions related to geo-energy sector;
- (ix) reviewing and approving contract specifications for geo-energy resources;
- (x) liaising with relevant environmental agencies for approval of environmental and social impact assessment reports related to geo-energy sector projects;
- (xi) implementing performance management system and evaluating its impact on service delivery;
- (xii) providing technical advice to Government agencies and the public on matters relating to geo-energy resources; and
- (xiii) ensuring prudent management of financial and non-financial resources

CHIEF SUPERINTENDING GEOLOGIST (ENERGY) - TWO (2) POSTS - V/NO. 262/2020

| | | |
|----------------------------|--|----------------|
| Salary Scale: | Ksh. 87,360- Ksh.121, 430 p.m. | (CSG 7) |
| House Allowance: | Ksh.16, 800 - 45,000p.m (depending on duty station) | |
| Commuter Allowance: | Ksh. 12,000p.m | |
| Leave Allowance: | As existing in the Civil Service | |
| Annual Leave: | 30 working days per financial year | |
| Medical Cover: | As provided by the government | |
| Terms of Service: | Permanent and Pensionable | |

For appointment to this grade a candidate must have:-

- (i) served for a minimum period of eight (8) years and currently serving at the grade of Geologist I, CSG 9 and above or in a comparable and relevant position in the wider public service;
- (ii) a Bachelor of Science degree in any of the following disciplines: Geology, Engineering Geology, Geophysics, Geochemistry, Geo-science or equivalent qualification from a recognized institution;
- (iii) be registered by the Geologists Registration Board of Kenya and be a member of the Geological Society of Kenya; and
- (iv) demonstrated professional competence in work performance and results.

Duties and Responsibilities

- (i) monitoring and reviewing geological exploration activities in coal, geothermal and nuclear energy;
- (ii) coordinating the design of geo-exploration field projects in coal, geothermal and nuclear energy;
- (iii) developing geological exploration standards and guidelines in geo-energy sector;
- (iv) reviewing geological exploration reports;
- (v) verifying exploration contract documents for compliance;
- (vi) monitoring conformity to legislation and statutes related to geological exploration activities in geo-energy sector;
- (vii) ensuring implementation of environmental and social impact assessment recommendations for geo-energy sector projects; and
- (viii) ensuring proper management of resources.

CHIEF SUPERINTENDING GEOPHYSICIST - TWO (2) POSTS - V/NO. 263/2020

| | |
|----------------------------|--|
| Salary Scale: | Ksh. 87,360 - Ksh.121, 430 p.m. (CSG 7) |
| House Allowance: | Ksh.16, 800 - 45,000p.m (depending on duty station) |
| Commuter Allowance: | Ksh. 12,000p.m |
| Leave Allowance: | As existing in the Civil Service |
| Annual Leave: | 30 working days per financial year |
| Medical Cover: | As provided by the government |
| Terms of Service: | Permanent and Pensionable |

For appointment to this grade an officer must have:-

- (i) served for a minimum period of eight (8) years and currently serving at the grade of Geophysicist I (Energy), CSG 9 and above or in a comparable and relevant position in the wider public service;
- (ii) a Bachelors degree in any of the following disciplines: Geophysics, Physics, Geology, Geo-Science or equivalent qualifications from a university recognized in Kenya;
- (iii) demonstrated professional competence in work performance and results.

Duties and Responsibilities

Duties and responsibilities will include:-

- (i) overseeing design of geophysical field projects;
- (ii) coordinating and managing geophysical field projects;
- (iii) overseeing the analysis of geophysical data;
- (iv) reviewing geophysical exploration reports;
- (v) developing geophysical exploration standards and guidelines in geo-energy sector
- (vi) monitoring conformity to legislation and statutes related to geophysical exploration activities in geo-energy sector;
- (vii) ensuring implementation of Environmental and Social Impact Assessment recommendations for geo-energy sector projects; and
- (viii) ensuring proper management of resources.

CHIEF SUPERINTENDING GEOCHEMIST - TWO (2) POSTS - V/NO. 264/2020

| | |
|----------------------------|--|
| Salary Scale: | Ksh. 87, 360 - Ksh.121, 430 p.m. (CSG 7) |
| House Allowance: | Ksh.16, 800 - 45,000p.m (depending on duty station) |
| Commuter Allowance: | Ksh. 12,000p.m |
| Leave Allowance: | As existing in the Civil Service |
| Annual Leave: | 30 working days per financial year |
| Medical Cover: | As provided by the government |
| Terms of Service: | Permanent and Pensionable |

For appointment to this grade an officer must have:-

- (i) served for a minimum period of eight (8) years and currently serving at the grade of Geochemist I, CSG 9 and above or in a comparable and relevant position in the wider public service;
- (ii) a Bachelors degree in any of the following disciplines: Geochemistry, Geology, Chemistry, Geo-Science or equivalent qualifications from a university recognized in Kenya; and
- (iii) demonstrated professional competence in work performance and results.

Duties and Responsibilities

- (i) overseeing designing of geochemical field projects;
- (ii) coordinating and managing geochemical field projects in geo-energy sector;
- (iii) reviewing geochemical exploration reports;
- (iv) overseeing the analysis of geochemical samples/ data;
- (v) developing geochemical exploration standards and guidelines in geo-energy sector;
- (vi) monitoring conformity to legislation and statutes related to geochemical exploration activities in geo-energy sector;
- (vii) ensuring implementation of Environmental and Social Impact Assessment recommendations for geo-energy sector projects; and
- (viii) ensuring proper management of resources.

STATE DEPARTMENT FOR PETROLEUM**SECRETARY PETROLEUM - ONE (1) POST - V/NO. 265/2020**

| | | |
|------------------------------------|---|----------------|
| Salary Scale: | Ksh. 169,140 - Ksh.324, 430 p.m. | (CSG 4) |
| House Allowance: | 80, 000 p.m | |
| Entertainment Allowance: | Ksh. 65,000 p.m. | |
| Commuter Allowance: | Ksh. 12, 000p.m | |
| Leave Allowance: | As existing in the Civil Service | |
| Extraneous allowance: | Ksh.60, 000 p.m. | |
